

JULY 11-15, 2022

DAYTONA BEACH, FLORIDA

PASSION CAMP PASSION CAMP PASSION CAMP

We're so excited your student is joining us for Passion Camp this July!

We are expectant for our time together in Daytona Beach as we lift up the name of Jesus.

We hope to encourage your student and thousands of others to live for His renown!

SCHEDULE // Each day, your student will participate in Main Sessions, Squad Wars, Free Time and Church Group Time. Each of these is a vital part of Passion Camp! If you would like more information about the schedule or who is leading the way during the week, you can visit our website passioncamp2022.com for more details.

WAIVER // Each student and leader who participates in Passion Camp is required to submit an electronic Waiver & Release Form prior to arrival. Waivers will be sent out later this spring and are due by **July 7**. Any student who has not submitted a waiver will not be allowed to participate in Passion Camp until a completed waiver is received.

MEALS // If your group registered for meals at Passion Camp, your student will receive lunch and dinner on Tuesday through Thursday at the Ocean Center. Each meal will include a variety of food options. Passion Camp will accommodate any allergies and dietary restrictions that are submitted in the portal by your group leader by **July 7**.

DRESS CODE // We trust every group leader to set and communicate dress code guidelines for their group which reflect Jesus and sets the tone for other groups as well as the Daytona Beach community while at Passion Camp.

SQUAD WARS // Squad Wars are a week-long competition that everyone participates in! Every student and leader at Passion Camp is assigned to one of four Squads, and each Squad has a name and designated color. Squads can earn points by winning daily challenges and showing Squad spirit. At the end of the week, the Squad with the most points is the winner! We encourage students to be as creative as possible in representing Squads – so check with your group leader to find out which Squad your student is on and make sure they come ready to show some Squad spirit!

CHURCH GROUP TIME // Your student will gather with their church after the evening session to build community, process what God is teaching them, and form lasting bonds with other students!

RESOURCES // A variety of resources and apparel will be available for your student to purchase during the week, including books, apparel, camp merch and more! Resources are available for purchase with cash or debit/credit card.

SAFETY & MEDICAL NEEDS // While your group leader has assumed full responsibility for your student at all times, the Ocean Center will be staffed with security and local police while students are in the building. Passion Camp does not provide any medical treatment or transportation, as your group leader has assumed all liability for any medical needs for your group.

COVID-19 // We ask that if anyone in your group demonstrates COVID-19 symptoms or tests positive for COVID-19 during Passion Camp that you follow the current CDC quarantine and isolation guidelines. They can be found [HERE](#).

COMMUNICATION // Follow us on Instagram [@passion_camp](#) for updates and pictures throughout the week!
